Dear MR. CASTIL:

Environmental greetings!

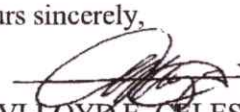

This is to inform you that your paper "*Development and Evaluation of an Earth-Air Heat Exchanger as a Renewable and Sustainable Greenhouse Cooling Technology for Protected Agriculture Application in a Tropical Climatic Condition*", is accepted for presentation in the **1st ASIAN CONFERENCE on RESOURCE MANAGEMENT and GOVERNANCE** with its theme, "**Redefining the Development Initiatives through Renewable Energy and Conservation Technology (REDIRECT)**," which will be held via virtual zoom on September 14 to 16, 2021.

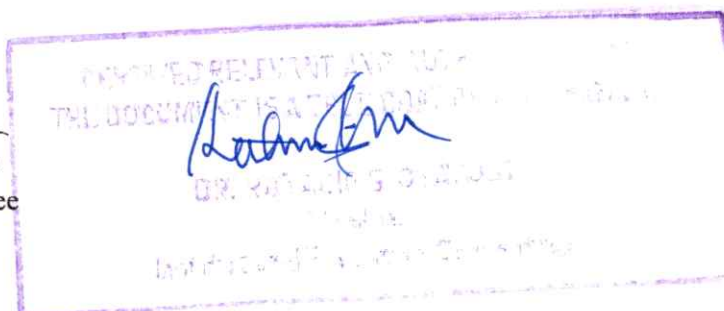

In this regard, we would like you to submit a full paper based on the template provided. Moreover, as a presenter, please submit a 10-minute pre-recorded video to be broadcasted at the conference. The video presentation should be submitted 7 days before the conference date to avoid glitches during the presentation. You may visit the link for further details [Conference Guidelines – Asian Journal on Resource Management and Governance \(nwssu.edu.ph\)](http://nwssu.edu.ph).

Please be reminded that the full paper submission is on August 30, 2021. If you have other concerns, please don't hesitate to contact us.

Congratulations and keep safe.

Yours sincerely,

NOVLLOYD E. CELESTE, EnP

For : All SUC Presidents/Heads
From : Dr. Tirso A. Ronquillo
President
Subject : **1ST ASIAN CONFERENCE ON RESOURCE MANAGEMENT AND GOVERNANCE**
Date : July 9, 2021

This is to endorse the 1st Asian Conference on Resource Management and Governance with the theme "*Redefining the Development Initiatives through Renewable Energy and Conservation Technology (REDIRECT)*", organized by Northwest Samar State University (NwSSU), to be held on September 14 – 16, 2021.

This virtual conference aims to support the research programs of the university and the regional/national research undertakings. Specifically, the conference aims to: 1) to promote MSMEs low carbon technologies and conservation technologies to stir further development initiatives geared towards transition to low carbon economy; 2) to strengthen networking activities in the academe, industry and MSMEs in building a low carbon economy in the future development initiatives; 3) provide a venue for sharing of knowledge, ideas and expertise that advance significant developments in the field of research in resource management and governance; 4) to strengthen the research productivity of those engaged in the fields of management, governance, and administration; 5) to provide the local government units and public institutions with the latest discipline-based, policy-oriented, technology-directed and innovative/creative research findings in resource management and governance that are locally responsive and globally competitive through various mediums; and 6) to secure networking and collaboration among government and non-government entities through the presentation of research outputs.

This activity is free and will be conducted via Zoom. The organizers shall be receiving abstract submissions until August 1, 2021 and deadline of submission of full paper is on August 30, 2021. Presenters and interested participants may visit their website <http://asianconference.nwssu.edu.ph/> for more information.
