in Village Electrification*

January 20, 2009

Mr. Nilo L. Leona  
VSU-ANEC

**Subject: Result of Solar PV Engineer Training in October 2008, in Bohol**

Dear Mr. Nilo L. Leona;

This is in reference to the Solar PV Engineer Training conducted last October 20 - 25, 2008 at the Water Gate Tourins Inn in Talibon and Barangay Alumar, Getafe.

We are very satisfied with your performance during the lecture, hands-on and training exercises. In this regard, attached is the result of the training showing your score and performance comparing with the rest of the trainees.

Based on this result, you improved your knowledge and skills. We expect that you continue to study on all aspects of PV technology and play a center role to disseminate PV technology in your area.

Very truly yours,

  
Mario C. Marasigan  
Director

Energy Utilization Management Bureau  
Department of Energy

Fumikazu Doi  
JICA Expert
