# PROJECT PROCUREMENT MANAGEMENT PLAN (PPMP) CY 2025

END-USER/UNIT: Risk Management Office

CHARGED TO GF-MOOE

Project, Programs and Activities(PPAs):

PPMP #: PPMP-2025-092424-0021

#### 1. University-Wide Risk Assessment Program

- Plan and coordinate the conduct of risk assessments to identify and analyze potential risks (financial, legal, security, health, etc.) across all university operations and activities.
- · Facilitate risk assessments within each operational unit, ensuring that unit-specific risks are thoroughly identified and addressed.

### 2. Risk Assessment Orientation and Capacity Building Project

 Conduct orientation sessions and workshops on risk assessment for Deputy Risk Managers and operational units to build capacity and ensure effective risk identification and management throughout the university.

### 3. Risk Monitoring and Risk Registry Maintenance Program

- Establish and oversee a risk monitoring system using the university's risk registry to document and track ongoing risks and mitigation efforts.
- Conduct monthly monitoring of action plan accomplishments, ensuring risks are being mitigated effectively and plans are adjusted as needed.

#### 4. Special Risk Assessment for University Activities

• Carry out special risk assessments for significant university activities or events, ensuring proactive identification and mitigation of risks unique to these activities.

### 5. Crisis Management and Contingency Planning Project

Assist the university president and key stakeholders in developing and implementing contingency plans to manage potential crises, with a focus on minimizing damage and ensuring swift recovery.

## 6. Standards, Processes, and Best Practices Development for Risk Management

- Partner with key stakeholders to develop and implement risk management standards, processes, programs, and best practices tailored to the university's needs.
- · Ensure continuous improvement by reviewing and refining these processes based on monitoring and assessment results.

## 7. Risk Management Reporting and Recommendations Activity

Prepare detailed reports on identified risks, assessment results, and risk mitigation efforts. Present findings and recommendations to the appropriate university bodies for review and action.
