**Request for use of remaining funds under 'LaForeT – Landscape Forestry in the Tropics' from the Thünen Institute of International Forestry and Forest Economics**

Dear Dr. Edgardo E.Tulin,

I would like to kindly request for the use of the remaining funds amounting to P39,098.71 under the 'LaForeT – Landscape Forestry in the Tropics' project which has ended last September 30, 2019. The money will be donated to the Department of Forest Science to purchase office supplies and materials.

Thank you for your valuable support and cooperation.

Yours sincerely,

---

Dr. Melvin Lippe  
LaForeT country coordinator Philippines, Thünen Institute of International Forestry and Forest Economics
