President, Visayas State University
Baybay City, Leyte

Thru: **DR. ALELI A. VILLOCINO**
VP, Student Affairs and Services

Dear Dr. Yepes:

Greetings!

On behalf of the Faculty of Computing (FC), I am pleased to announce our upcoming Research Colloquium with the theme: "Computing in Action: Research, Industry Trends, and Future Innovations." This event is scheduled to take place on April 2, 2025, from 8:00 AM to 5:00 PM at the RDE hall. The colloquium will serve as a platform for faculty members, students, and esteemed industry partners to collaborate, present research findings, and engage in discussions on the latest technological advancements in computing.

As part of our commitment to fostering an enriching experience for our students, we humbly request the university's support in shouldering the cost of lunch for 80 students who will be actively participating in the event. These students, coming from the BSCS program (VSU Main Campus) and the BSIT program (Alang-Alang and Isabel Campuses), will play a vital role in the success of the colloquium through research presentations, panel discussions, and interactive sessions with industry professionals. Providing lunch for these students will not only ensure their active participation throughout the day but also demonstrate the university's strong commitment to supporting academic initiatives and professional development opportunities.

We sincerely hope for your kind consideration and approval of this request. Should there be any additional requirements or necessary documentation, please let us know, and we would be happy to comply. Thank you.

Sincerely,

JUDE B. ROLA
Dean, FC

Noted:

RYAN C. ILAIDA
Student Regent

Certificate of Availability of Funds:

ALICIA M. FLORES
Head, Budget Office *FF-50 lunch @ 200/pax*
