

### Methodology/Strategy:

1. Interactive sessions (lectures and assignment reporting with facilitation of the resource persons)
2. Small group work (group discussion and sharing of ideas)

### Resources Needed:

1. Internet connection
2. LCD projector
3. Sound system

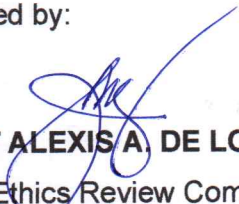

### Expected Outcome:

1. The participants can elaborate and apply the research ethical principles in their proposed research projects
2. Create an ethically sound research project for funding reviewed and approved by the VSU Ethics Review Committee

### Estimated Budget:
