Subject: Request for Assistance in Installing Window Grills at the DOST-VSU Forest Products Innovation and Training Center

Dear President **Yepes**,

I hope this letter finds you well.

I am writing to respectfully request your assistance in securing the DOST-VSU Forest Products Innovation and Training Center building through the installation of window grills.

As of this writing, 90% of the equipment intended for the Center has already been delivered. However, we are currently unable to proceed with installation and commence operations due to the lack of security features in the building - specifically, the absence of window grills.

Unfortunately, the inclusion of window grills was inadvertently overlooked during the design phase by our Draftsman and Engineer from the General Services Division. As such, we are submitting this request for support to address this oversight and ensure the safety of the equipment and the facility.

Please find below the summary of the materials and total cost estimates for the window grills, amounting to **PhP22,665.88**:

Item No.	Description	Qty	Unit	Unit Cost (PhP)	Total Cost (PhP)
1	Steel square bar, 10mm x 6m	30	length	250.00	7,500.00
2	Welding rod	20	kg	121.39	2,427.80
3	Steel flat bar, 5mm x 25mm x 6m	25	length	450.00	11,250.00
4	Red oxide paint	2	Gal	561.36	1,122.72
5	Paint thinner	1	gal	375.36	375.36
				Total	22,665.88
