Louella C. Ampac
Financial Management Director
Visayas State University

Dear Ma'am Ampac:

Greetings!

We are delighted to share that Mr. Jhon Philip Maloloy-on, a student of the College of Nursing, has achieved a remarkable 9th place in the Summer Philippine Nurses Licensure Examination. This outstanding performance is a testament to our institution's quality of education and training. In light of this, we respectfully request a P200,000.00 budget increase for the College of Nursing.

Also, we had two (2) PNLE test takers last summer (May 2023) who successfully passed the said examination. If we have not given this amount yet, the college would like to request another P200,000.00 for a 100% board examination rating.

Attached are the results of the PNLE.

Thank you very much for your continued support of our college.

Truly yours,

Michelle A. Calda
Dean
