Vice-President for Academic Affairs
Visayas State University

Dear Dr. Belonias:

Warmest greetings!

Our department is in need of one (1) unit desktop and one (1) unit printer for academic use. With this, we would like to humbly request that the said items with specifications indicated below will be charged to OVPAA. In as much as we wanted to include it in our budget for 2024, however, there is an immediate need of a desktop in the Admin's office to facilitate the request of our students (forms, etc.) because our PC is defective/not functional anymore. We cannot amend anymore our PPMP for 2023 because Purchase Order (PO) have been prepared already for the equally important items (office supplies) of the department. We would appreciate it very much if we can avail some funds from your good office for this purpose.
