Dear **Dr. Tulin**,

A pleasant day to you, Sir!

I am pleased to inform your good office that there will be four European Professors coming from the Faculty of Veterinary Medicine, University of Zagreb, Croatia who will visit our University from April 3 – 8, 2022 for the Erasmus+ Mobility Program. During our exit meeting with the visitors, we are planning to held it at Canigao Island, Matalom, Leyte. This will also be a good opportunity for us to conduct our College's Team Building Exercises (*see attached program of activities*). Rest assured all health protocols will be followed accordingly.

In line with this, may we request that appropriate funds be allocated to support for the transportation to be provided going to Canigao Island, Matalom, Leyte where CVM is in-charge.

I hope for your kind approval. Thank you and Godspeed!

Respectfully yours,
