Dear Mr. Pacaldo,

Greetings!

We appreciate that you took time to apply for the position (Part-time Instructor) in our department. After reviewing your submitted documents, the Department Personnel Committee did not select your application for further consideration as we are screening applicants who are a graduate of BS in Food Technology or MS in Food Science and Technology as our minimum qualification requirements for selection.

We appreciate that you are interested to work in VSU. Please do apply again in the future should you see a job posting for which you qualify in. Thank you for applying. We wish you all the best.

Very truly yours,
