Dr. EDGARDO E. TULIN
President
VSU, Baybay City, Leyte

Through: **BEATRIZ S. BELONIAS**
Vice President OVPAA/ Chairman Academic Personnel Board

Dear Dr. Tulin:

Good day.

Please be informed that a faculty replacement of DR. Ernesto C. Bumatay was hired in SY 2017-2018; however, he was not renewed the following semester since he did not meet the minimum academic qualification for an Instructor (MS Graduate and a licensed Professional Forester). The position is not filled since 2019 until today.

In this connection, the DFS faculty, through its Personnel committee, would like to appeal/request that we may be allowed to hire a replacement for Dr. Bumatay, so we can maintain the quality education we have in Forestry for both the BSF and MSF degrees. This requirement is also under the minimum faculty requirement required by the Commission on Higher Education. We are hoping for your positive response to this request.

Respectfully yours,

The DOF Personnel Committee:

APB Resolution No. 279

Series of 2022

Recommending disapproval to hire a replacement of Dr. Bumatay as the position is no longer available. If the department is really in need of faculty, they should have hired somebody immediately to replace the faculty whose appointment they did not renew in 2019. Recommending approval for one Part-time Instructor only.
