JERWIN DE LA CUESTA

Applicant

Mabini St., Poblacion, Leyte, Leyte

Dear Mr. de la Cuesta:

We have received your application for the Instructor I position at the Institute for Strategic Research and Development Studies (ISRDS), and appreciate your taking time to express your interest.

Although we are impressed with your background and experience, we have decided to pursue other applicants who we believe match more closely the requirements for the position and needs of ISRDS. For one, while your training and experience lie in business administration and business management, we need a faculty member who can teach development sociology at the graduate level and have experience in research and extension work.

We are particularly appreciative of your interest in this position and wish you well as you pursue other job opportunities.

Thank you and regards.

Very truly yours,

LILIAN B. NUNEZ
Director
