Dear **DR. YEPES:**

Good day!

I would like to thank the University through your good office for the opportunity endowed to me to pursue graduate studies. I finished the degree of Doctor of Philosophy in Education, majoring in Physical Education at Saint Paul University Philippines (SPUP), in Tuguegarao, Cagayan in January 2024.

In my previous letter, addressed to the then OIC President Dr. Daniel Leslie S. Tan dated February 12, 2024, I signified that the relevant documents needed to support my claim of finishing the degree would follow later. However, I just got a hold of my documents lately, (please see attached) thus delaying my opportunity to avail of the "In-House Promotion" for returning VSU Fellowship grantees who finished their respective PhD degree programs.

In this regard, I would like to avail myself of the In-House promotion which will grant me the position of Assistant Professor IV offered to returning faculty who finished their PhD degrees. I look forward to a very favorable consideration of this request.

Thank you very much.

Very truly yours,
