Academic Personnel Board Meeting

OVPAA Conference Room

The letter request of DABE to hire two (2) Faculty members with Doctoral degrees in Agricultural Engineering on top of the previously approved request to hire 4 faculty members to replace those who retired/are retiring (RGuarte, ATambong, MLoreto Jr, and affiliates ESudaria, ROrias), was presented and deliberated.

Thereupon, below is the APB action which was approved by the University President.

APB Resolution No. 142

Series of 2023

Recommending approval to hire one more in addition to the previously approved four faculty members. These two prospective doctoral degree holders can apply and compete with any of these 5 positions. The department cannot hire replacements of affiliate faculty because they have their own units which will also request for their replacements.
