The request of CVM Personnel Committee to hire virtual part-time Instructors and a regular Instructor I, was presented and deliberated. The hiring of virtual part-time positions allows them to hire the practicing veterinarians to work while practicing their profession. Moreover, since it was difficult to hire a part-time instructor due to better compensation from other jobs, CVM further request that the 1 Part-time Instructor granted be converted to one (1) regular Instructor position.

Thereupon, below is the APB action which was approved by the University President.

**APB Resolution No. 376**

**Series of 2021**

Recommending approval to hire two (2) virtual part-time instructors but with lesser teaching load equivalent to only 2-3 subjects. The department head should monitor the conduct of classes and be given access to the e-learning sessions during remote teaching to act as course evaluator. The request of a regular instructor is not favorably acted due to unavailability of regular position.
