Dear Dr. Tulin;

Greetings!

This is to request that we be allowed to repost our hiring for one Instructor to be assigned and spearhead the RDE activities of the socio-economics section of the Center. This is pursuant to the approval of the **Academic Personnel Board through APB Resolution No. 179, Series 2018.**

Please be informed that we posted this need of instructor in September 2018, however, only one applicant submitted his credentials and application. Thus, we forego in the screening of the applicant. This time we hope to actively and intensify our advertisement and publication of the hiring, so we could also select the best and most suitable applicant for the position. Thank you very much for considering our urgent need for the Center
