Dear Dr. Tulin:

Greetings!

Based on our projected faculty workload for the incoming 2<sup>nd</sup> Semester, A. Y. 2022- 2023, the Department of Physics (DPhys) needs more faculty workforce to teach all of the physics and ScTS 11a subjects (please see the attached file).

In line with this, the Department of Physics Personnel Committee respectfully requests to hire two (2) faculty positions to handle some of the subjects offered by the department, including those subjects that might be offered and not reflected in the current projected workload.

We are hoping for your favorable action on this request.

Thank you very much.

Sincerely yours,

  
**REV RHIZZA L. AURE**

Head, DPhys and  
Chairperson, Personnel Committee
