Chairman, Academic Personnel Board (APB)

Dear **Dr. Tulin**,

This has reference to the position previously occupied by Ms. Rochelle C. Olana in Philrootcrops.

Ms. Olana was hired as a Plant Pathologist (Instructor 1) in the Center last September 17, 2020. She was then transferred to the Department of Pest Management (DPM) last May 2022 through an official arrangement agreed with the PhilRootcrops Personnel Committee.

In the arrangement, DPM will have to replace the position with any of the vacated positions in its department and allow PhilRootcrops to post the hiring of the supposed replacement.

In view of the above, we would like to inquire from the Academic Personnel Board (APB) for the smallest available or vacated position at DPM and allow as to select the applicant qualified for the position.

We are hoping for your favorable consideration on this request.
