Chairman, Academic Personnel Board

Dear Sir:

Good day.

Please be informed that one (1) of our senior faculty member Dr. Eduardo O. Mangaoang, have just retired last September 28, 2022. He is considerably invaluable in the Department of Forest Science, and his field of specialization is likewise equally essential both in our undergraduate and graduate program. The retirement of Dr. Mangaoang from service is a significant loss in the Department and would eventually result in ineffective delivery of the needed services in instruction, research, extension, and production if not given due attention and remedial action. This situation could only be avoided by replacing him with competent, hardworking, and dedicated qualified individuals from reputable institutions, including UPLB, MSU, and CMU, to mention a few. Hence, the Department would like to request a replacement of the position vacated by Dr. Eduardo O. Mangaoang. If given the opportunity of having a permanent position with academic rank higher than Instructor surely would entice qualified and deserving applicants from prestigious universities to apply for the vacant position.

We are hoping for your kind consideration and immediate response to this request.

Very truly yours,

The DOF Personnel Committee:
