The request of DMP Personnel Committee for five (5) regular faculty positions (3 Math instructors, 2 Physics Instructors) to be filled effective January 2021, was presented and deliberated. The DMP has five substitute faculty members whose appointments are about to expire on December 31, 2020. Starting SY 2021-2022, DMP will offer new degree programs, BS Mathematics and BS Applied Physics and will also handle the major courses of the soon to be offered MAED Mathematics and MAED Physics.

Thereupon, below is the NAPB action which was approved by the University President.

APB Resolution No. 457

Series of 2020

Recommending approval for the posting of five (5) regular-temporary faculty positions that have been allocated for DMP. The existing DMP substitute faculty members will be considered as applicants for the position. It is strongly advised to hire those with at least masters' degree in the appropriate fields of specialization.
