OVPAAC Conference Room

The letter request of DPAC to repost the three open regular faculty positions in lieu of Dr. Jacob Glenn F. Jansalin, Dr. Alice M. Acabal, and Dr. Candelario L. Calibo effective for 1<sup>st</sup> semester AY 2023-2024 and further request the services of visiting professors/guest lecturers, was presented and deliberated.

Thereupon, below is the APB action which was approved by the University President.

**APB Resolution No. 200**  
Series of 2023

Recommending approval on the request of DPAC to repost two (2) positions only; those vacated by Dr. Jacob Glenn F. Jansalin and Dr. Alice M. Acabal. For Dr. Calibo's position, an Instructor I position was already earmarked for DoPAC, but only after an item becomes available from the vacated positions of faculty with PhD who qualify for in-house promotion.

The department is also directed to give teaching load to faculty members of ARIC to handle some excess workload.

As to the request to hire visiting professors/guest lecturers, the APB cannot act on it because the request did not specify how many will be hired, and what will be their teaching load as these were not indicated in the projected workload. Furthermore, visiting professors and guest lecturers are not the same. We don't have a policy on how to pay visiting professors, but we have a policy on the rates of guest lecturers.
