The letter request of the DoPAC Personnel Committee to hire two (2) additional Part-time Instructors for the 1st Semester 2021-2022 was presented and deliberated. The services are urgently needed to handle the considerable number of unassigned chemistry courses. In addition, Dr. Alice M. Acabal is also on mandatory retirement on November 9, 2021, thus they needed a replacement to take over her teaching workload.

Thereupon, below is the APB action which was approved by the University President.

APB Resolution No. 423
