The letter request of DPBG Personnel Committee to hire one (1) part-time Instructor and one (1) Substitute Instructor to teach Ag. Botany, Plant Breeding and Genetics laboratory this 2nd semester of SY 2022-2023, was presented and deliberated.

Thereupon, below is the APB action which was approved by the University President.

**APB Resolution No. 39
Series of 2023**

Recommending approval for DPBG to hire two (2) part-time Instructors since the request to hire a substitute Instructor cannot be favorably acted because those faculty on study leave are with pay. The department Head is instructed to increase the teaching load of Mr. Jovannemar P. Anire, an affiliate faculty.
