from the 5 vacated instructor positions of VSU main + Asst Prof

Although 35 is in excess of the 26 total available instructor positions, there are additional positions that are expected to become vacant (Instructor I & Assistant Professor I to III) once some of the faculty with Ph.D. shall have been promoted to Asst. Professor IV. These vacancies again can be distributed to other units needing additional faculty.

The following departments with asterisk (*) were considered 1st priority for the Instructor positions effective 1st sem. 2023-2024, because of the retirement of some of their faculty, and the expected increase in enrollment:

Department	No. of slots	Retired faculty being replaced	Justification
