Dear Dr. Tulin:

Greetings!

We would like to request your good office to please allow us to hire ~~one~~ (1) faculty for the Department of Agronomy starting the first semester of school year 2020-2021. This faculty will help us teach distance education courses of the MAgDev Agronomy and to take the load of Mr. Wences Rey B. Dela Peña who is currently on study leave for his PhD in Agronomy at UPLB. Our faculty members at present are busy preparing for the flexible learning activities for our degree offerings under this new normal, so we need the help of an additional faculty to take care of our distance education courses for the MAgDev Agronomy program.

Attached is the projected workload of the new faculty for the 1st semester 2020 - 2021 for your reference.

We hope for your favorable action on this request. Thank you for your continued support.
