**EXCERPT FROM THE APPROVED MINUTES OF THE  
3<sup>rd</sup> ViSCA Board Meeting**

06 March 1975 \* Office of the Coordinator  
of the State Universities and Colleges

The revised curricula in BSA, BSAgDE and BSHE and the new Ag. Eng'g. curriculum were discussed. The President gave a summary of the rationale behind the revision and answered queries on course offerings, numbering, etc. Board Members Perez and Castillo suggested that they be approved in toto for implementation inasmuch as the real change is not a substantial departure from the course offering of UPLB, with some modifications to suit local conditions and needs, and to enable President Bernardo to go ahead with the printing of brochures for dissemination before the opening of the school year.

**BOARD ACTION:** APPROVED without prejudice to taking up the other items in the program during the next Board meeting.
