Proposal to Increase the Hourly Rate of Part Time Instructors

Part time instructors are paid only according to the number of hours they teach each day regardless of the number of preparations for the courses they handle and the excess number of students they have in a class based on existing rules and regulations. In contrast, regular faculty are given equivalent workload for the number of preparations they make and corresponding workload also for the excess students.

At present, the hourly rate for part-time instructors is based on Board Resolution No. 24. s, I 996 Since part-time instructors in other state colleges and universities have been paid the new rate, it is proposed that LSU likewise adopt it as follows:

	EXISTING	PROPOSED
BS graduate	P 80.00	P 100.00
MS graduate	100.00	150.00
Ph.D graduate	150.00	200.00

The proposed rate shall lake effect in the Second Semester, 2005-2006 upon Board approval.
