PROPOSED GUIDELINES IN THE USE OF THE NEW SWIMMING POOL AT MOLAVE HILL

Rationale

The Visayas State University has just completed the construction of an "Olympic-sized" swimming pool located at the Molave Hill, VSU Main Campus. This pool is really intended to be a mixed-use pool, which can be used as a teaching-learning open to the public and as such, require appropriate Guidelines prior to its launching as a public-oriented pool.

The Governing Board passed BOR Resolution No. 44, s. 2007 dated 01 May 2007 entitled "Guidelines on the Use of the LSU Garden Beach Resort and Swimming Pool." However, in addition to the BOR approved Guidelines, the following revision is proposed:

A. General Guidelines on the Use of the Swimming Pool

Items 1. to 18 - for strict implementation

Item 19 - revised to wit:
(Pool Closing Time)
4:00 PM for children
5:00 PM for adults

B. Rates

As approved by the Governing Board per BOR Resolution No. 44, s. 2007.

The Institute of Human Kinetics (IHK) may, upon proper representation and after due course, be permitted to use the new swimming pool for instructional purposes and special functions. It is understood that the Institute will assume full-responsibility for their activities.

Proposed Guidelines on the Use of the
LSU Garden Beach Resort Swimming Pool

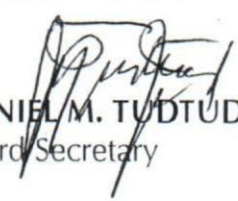

BOR RESOLUTION NO. 44, s. 2007

Approving the proposed Guidelines on the Use of the LSU Garden
Beach Resort and Swimming Pool, as amended.

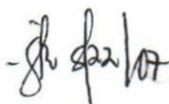

Comments from the VSU-BOR:

The Board suggested that the rate be graduated such that if it will be for a party of less than 50 users, the rent will be P2,000. If there are more than 50 but less than 100 persons, P3,000. If there are more than 100 persons, the P5,000 rent will apply. This is to make the rental rates more affordable. However, those who will use the pool will be charged separately.
