**Dear Chairperson Bautista:**

This has reference to my application for sabbatical, which was tackled during the Board of Regents (BOR) meeting of 23 June 2016. As per information relayed to me via telephone from the Office of the Vice President for Instruction (OVPI) of VSU, BOR approval of my application for sabbatical has been deferred subject to my confirmation of the outputs as required by the Academic Personnel Board (APB) as per APB Resolution No. 65, Series of 2016, which stipulates that "three articles will be published" to be evidenced by "proof of submission to publisher".

In a letter of Prof. Maria Aurora T. W. Tabada, the Director of ISRDS, dated 20 June 2016, she requested for a change in the required output for my sabbatical "to two (2) publishable articles to the Journal of Science and Humanities and/or the Annals of Tropical Research with proof of submission to the publisher", citing that these outputs would be within my capacity to comply with, and would be a reasonable requirement for ISRDS faculty members who would go on sabbatical in the coming years.

I wish to signify my willingness to conform to the requirements of the VSU APB to submit three publishable articles to the journals recommended by Prof. Tabada, and submit to the VSU APB the proof of submission from the publisher.

Thank you very much for your kind consideration of my application to go on sabbatical.

Very truly yours,

  
**BUENAVENTURA B. DARGANTES**
