Board Resolution No. 59, s. 2003

BE IT KNOWN TO the members of the Board of Regents of the Leyte State University that the Deutsche Welle Radio Training Center (DWRTC), Bonn, Germany is donating to the Leyte State University (LSU) the following equipment that are needed to improve and upgrade the facilities of LSU Radio Station, DYAC, valued at between P10 million to P12 million:

1. Transmitter 5 Kwt (Siemens) *used only for 300 hours*
2. Electrical Board
3. Oscillator
4. Ventilator
5. 10 to 20 sets of PCs

Due to the urgency of the need to ship out said equipment from Cologne, Germany to Cebu, Philippines, this referendum is conducted.

Whereas, LSU Radio Station DYAC has been established for the purpose of broadcasting vital extension related programs in support of the University's extension activities;
