*Office of the Board Secretary*

---

24 September 2003

**The Honorable Chairman and  
Members of the LSU Board of Regents**

*Ladies/Gentlemen:*

I am hereby endorsing the "**Logo of the Two External Campuses of the University**" with interpretations. In a meeting with the University Administrative Council (UADCO) on August 15, 2003, the logo were presented, discussed and approved by the council with suggestions that are now integrated therein.

I am, therefore, recommending the same **FOR APPROVAL** by the Board of Regents.

Very truly yours,

  
**PACIENCIA P. MILAN**  
President

### **Interpretation**

- 1) The circle symbolizes the oneness of the College of Environmental and Agricultural Technology with the Leyte State University. The bold outer circle represents the LSU system and the inner circle the unending endeavor of the college to realize its vision and mission. These two circles symbolize parallelism of purpose between the university and the college.
- 2) The white background represents idealism and purity of purpose.
- 3) The green color which is the college color stands for the commitment of the college for the preservation, protection, and management of the environment; and sustainable agricultural development.
- 4) The gold color stands for the richness of the curricular offerings of the college.
- 5) The golden arch symbolizes the hope of the college for a bright future.
- 6) The two green dots represent the twin thrusts of the college which are environmental and agricultural technology.
- 7) The black color serves to emphasize the name of the university.
- 8) The golden letters CEAT at the center indicates the acronym of the college, which stands for College of Environmental & Agricultural Technology.
