LEYTE STATE UNIVERSITY  
VISCA, BAYBAY, LEYTE

RESOLUTION NO. 01  
(series of 2004)

A RESOLUTION ASKING THE LSU-BOARD OF REGENTS TO ~~REPEAL AND~~  
MODIFY BOT RESOLUTION NO. 6, S. 2000

Whereas, said resolution granting free tuition fee to the CSSC officers, namely:  
President, V-President, Secretary, Treasurer, Auditor, and six (6) Senators  
effective S.Y 2000-2001, was duly approved based on the old structures of the  
CSSC prior for federation.

Whereas, such CSSC then as governed by old structure, was superseded upon the  
creation of a new student council that includes the external campuses which form  
part the federated University Supreme Student Council (USSC) composition.

Whereas, such changes expand the scope of the official family of the USSC and therefore  
can be entitled of the scholastic privileges being granted by the University for the  
student council officers.

Whereas, the USSC Board in unison saw the imperative of such grant being a good and  
fair counterpart by the school authorities will give them a commensurate grants  
and cognition.

Now resolve as it is hereby resolved that this appeal to modify ~~and repeal~~ said BOT  
resolution is then requested.

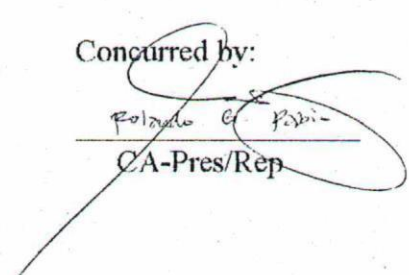

Resolved further, that copies of this resolution be forwarded to the LSU -BOR and  
Office of the University President, for approval and information.

Done this 17<sup>th</sup> day of July in the year of our Lord 2004 at the USSC (Main Campus)
