**APB Resolution No. 82**  
Series of 2020

Recommending approval to change the employment status of the faculty members, as presented, from temporary to permanent, subject to BOR approval and signing of a probationary contract.

In relation to change of employment status, the APB suggests that recommendations for change of employment status should emanate from the ODA-HRD, not from the department. ODA-HRD has all the records and they are in the best position to determine whether a faculty has met the qualification standards established for faculty rank/position as approved by Board of Regents per BOR Resolution No. 29, s. 2015 as provided for in par. II, B.1. of Chapter 2 of this Merit System.
