Proposal to Increase the Fine for Late Registration

Registration is not complete until the enrolment fee or required down payment of school fees is paid. It has been observed many of our students mostly seniors do not enroll or do not complete the process of their enrolment on time in spite of the fine we imposed on them. The practice of students postponing their enrolment caused delay in the preparation of enrolment list and other reports especially class rosters to be given to the professors as soon as the start of classes.

To minimize this problem, it is proposed that we increase the fine for late registration.

Proposal:

| | <u>Existing</u> | <u>Proposed</u> |
|----------------------------|--|--|
| Fine for late Registration | P50.00 for the first day and P10.00 per day thereafter | P50.00 for the first 5 days and P500.00 after the 5 day period |
