**PROPOSAL TO AMEND THE COST OF FEES
OF FOREIGN STUDENTS**

*(As approved by the Board of Regents per
BOR Resolution No. 102, s. 2002, dated 8 November 2002)*

The school fees we charged foreign students as approved by the Board of Trustees Board Resolution No.9, s. 1998 appear too expensive compared to the charges of other Universities and Colleges in the Philippines. Verifications made by the Registrar's Office from the University of the Philippines, University of San Carlos and Southwestern University show - that the school fees charged to foreign students are the same with Filipino students. They only differ in the charging of an Educational Development Fee in US Dollars that ranges from 100 500 per term.

With this information and to be competitive in attracting foreign students, we are scrapping the school fees in dollars and will charge them an Educational Development Fee in dollars and double: the cost of school f~ paid by Filipino Students in pesos.
