Ma'am,

Greetings!

I've seen in the VSU website that your good office is accepting applicants for EDUCATION RESEARCH ASSISTANT I for Office of the Vice President for the Student Affairs and Services. I would like to apply for the said position.

I am Mary Joy B. Braga, 25, single and residing in Baybay City. I am a graduate of BS in Hospitality Management at Visayas State University. I am currently working as Store Crew in 7 Eleven Guadalupe. I believe that my knowledge, skills and values that I have gained from my beloved university and with my work experience can contribute to your good office and at the same time will enhance my skills better.

I am hopeful that you will look positively upon my application. I am willing to undergo an interview at your convenience. Thank you and God bless.

Sincerely,

Mary Joy B. Braga
