Dear Ms. Morales:

We are happy to inform you that your application for admission to graduate studies leading to **Doctor of Philosophy** degree in **Horticulture** is approved effective **First Semester, School Year 2020-2021,** on **regular** status.

Please take note that as an on-campus **doctoral** degree student, you have a maximum residency period of **Seven (7)** school years from start of graduate work to complete your degree. This time limit does not include the period when you are on approved Leave of Absence (LOA), as long as your total LOA period does not exceed two (2) years. Thus, should you decide not to enroll in a particular semester or school year, you need to apply for LOA at the Graduate School

For registration purposes, please present this letter to the Graduate School. Registration is scheduled on August 3-7, 2020 and classes will start on August 17, 2020.

Your prospective academic adviser is **Dr. Marilou M. Benitez.** Prior to registration, please consult with her regarding your graduate program.

Warm welcome to VSU with the hope that you will succeed in your graduate studies.

Very truly yours,

ANABELLA B. TULIN

One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. Three hours of laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are regarded as equivalent also to one unit of credit.

The semestral average grade of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.
