LETTER OF ADMISSION

June 30, 2020

MS. DANICA P. GODINEZ
VSU, Baybay City, Leyte

Dear Ms. Godinez:

We are happy to inform you that your application for admission to graduate studies leading to **Master of Science** degree in **Development Communication** is approved effective **First Semester, School Year 2020-2021**, on **regular** status.

Please take note that as an on-campus **masteral** degree student, you have a maximum residency period of **five (5)** school years from start of graduate work to complete your degree. This time limit does not include the period when you are on approved Leave of Absence (LOA), as long as your total LOA period does not exceed two (2) years. Thus, should you decide not to enroll in a particular semester or school year, you need to apply for LOA at the Graduate School.

For registration purposes, please present this letter to the Graduate School. Registration is scheduled on **August 3-7, 2020** and classes will start on **August 17, 2020**.

Your prospective academic adviser is **Dr. Editha G. Cagasan** (edithacagasan@vsu.edu.ph). Prior to registration, please consult with her regarding your graduate program.

Warm welcome to VSU with the hope that you will succeed in your graduate studies.

Very truly yours,

ANABELLA B. TULIN
